

LIFECYCLE AQUATICS, LLC: PRIVATE POOL USE AGREEMENT / NON-HOMEOWNER

CLIENTS sign this form if they want a LIFECYCLE AQUATICS, LLC instructor to conduct lessons in any private pool that they do NOT own, or have the rights to use without permission of another person. "Private Pool" includes such pools as a backyard pool, or pool in a condominium or apartment complex.

STUDENT OR ASSIGNED GUARDIAN UNDERSTANDS THE RESPONSIBILITIES OF THE HOMEOWNER FOR THE SITE & FACILITIES:

1. Adult students, or legal guardian of a minor student, understands that the maintenance of the pool, related mechanics and property where lessons take place is the complete responsibility of the homeowner, not Lifecycle Aquatics, LLC.
2. Homeowner is responsible for all water testing, and for all procedures needed to prevent the spread of recreational waterborne illnesses (RWI's).
3. Homeowner is responsible for the proper functioning of the pool and all safety equipment
4. Homeowner has placed safety rescue equipment – such as a reaching pole, rescue tube, or buoy, in plain site and easily accessible.
5. On the day of the lesson, homeowner will advise LifeCycle Aquatics, LLC if safety equipment is not in place, or if the water quality is not safe for swimming, or any other maintenance matter that may cause injury.
6. Homeowner has ensured that all chemicals are stored properly and secured.
7. Homeowner confirms that pool meets all federal, state and local codes.
8. Diving boards, slides or any other similar equipment will not be used during instruction.
9. Homeowner understands that strict enforcement of Red Cross recommended diving restrictions and progressive teaching protocols will be followed. The depth of the pool will determine if diving is allowed. If diving is not safe, diving will not be allowed.
10. Homeowner agrees to make restroom facilities available for student(s) and instructor.
11. Homeowner understands that inclement weather and/or lightening will require immediate and safe exit from the pool and deck areas, into the safety of an indoor space for all students, instructor and guardians. Homeowner agrees to provide this shelter space.
12. Homeowner should review their site-specific emergency action plans (EAP) with the guest. Lifecycle Swimming knows the Homeowner's EAP.
13. Homeowner confirms that a phone landline is accessible and working.
14. Homeowner agrees that no pets or other swimmers will be allowed in the pool during class.
15. Teaching equipment brought on site by the instructor is the instructor's property, and will be clearly labeled. If any equipment is borrowed or left behind, it should be returned to the instructor. Includes items such as floatation noodles, diving toys, and balls.
16. Homeowner understands that it's advisable to have a first aid kit accessible during lessons. Commonly stocked items include plastic adhesive bandages, gauze, waterproof adhesive tape, safety scissors, tweezers, ice packs, rubber gloves and absorbent paper towels.
17. Homeowner understands the parameters of their homeowner's liability insurance.
18. Homeowner understands and has signed the Waiver/Liability Agreement provided by Jennifer May.

SUPERVISION:

19. Assigned guardian, agrees to be on site and on deck, with a clear view of any minor student during all lessons at all times.
20. Assigned guardian is never to leave any minor student alone with the instructor.
21. If the client is a legal adult no guardian supervision is required.
