VACATION
WATER SAFETY CHECKLIST

Consider water safety when researching and booking overnight stays for your family. Ask these questions when booking a hotel, vacation rental or staying with family or friends.

1. What water features are at or in the vicinity of the hotel or rental? Bathtub, pool, hot tub, koi pond, fountain, marina, dock, lake, pond, ocean, river?
2. Do water features have barriers such as fencing or pool covers?
3. Are alarms on any doors that have direct access to water?
4. the water feature regularly maintained and tested?
5. local emergency information posted, along with the address of the pool or waterfront property?
6. What is cell phone coverage in the area?
7. Are lifeguards present? if so, what hours?
8. Are lifeguards available at any waterscapes near the property?
9. Does management provide water safety information or demonstrations specific to the site? Do they have an emergency action plan?
10. water rescue equipment available? Life preserver or reaching pole?
11. Are there storage bins for pool toys?
12. a first aid kit available?
13. Are any boats included in the property rental?
14. Does the property have any lifejackets?
15. What are the local open water safety regulations? Are there beach/lake hours?
16. What is the expected weather during the vacation?
17. there any marine life migration (jellyfish, sharks, whales) expected at the time of the vacation?
18. Book water adventure excursions only with reputable companies and experienced guides. Make sure to read reviews.
